

Imitating world percussion using sound sources found at home lesson 5 - page 3/3

11. Creating Our Own Polyrhythm

Working with the video to help you, please use your instruments to play the following rhythms on your instruments, or using body percussion:

♥	♥	♥	♥
Boom	Boom	Boom	Boom
▢	▢	▢	▢
Scrape and	scrape and	scrape and	scrape and
▢▢▢	▢▢▢	▢▢▢	▢▢▢
Shakey-shakey	shakey-shakey	shakey-shakey	shakey-shakey
▢	▢	▢	▢
Play a	-	gogo	Play a - gogo

Use your homemade Djembe or your knees

Use your homemade Guiro or rubbing/scraping your hands together

Use your homemade Ganza or vocal percussion

Use your homemade Agogo bell or vocal percussion with actions

On the video, Miss Miner plays all the parts together using clever video skills. It will be fun to perform this all together in class.

12. Challenge

Can you sing 'Captain go side-track your train' and play your homemade Ganza at the same time? Whilst you sing, please use the green rhythm above – see question 11.

Can you make up (or *improvise*) another rhythm for your homemade Djembe or Guiro to play with the song? Please write down the rhythm here:

13. Please write down **ONE KEY THING** you have learned today.
