

Imitating world percussion using sound sources found at home lesson 6 - page 2/

9. How many beats were in each bar in the song 'Chumbara'? *Please circle correct answer*

- One
- Five
- Four

10. How did we enhance the song 'Chumbara' further? *Please circle correct answer*

- We added more percussion parts
- We sang another song over the top
- We made up some actions to go with it

11. Challenge

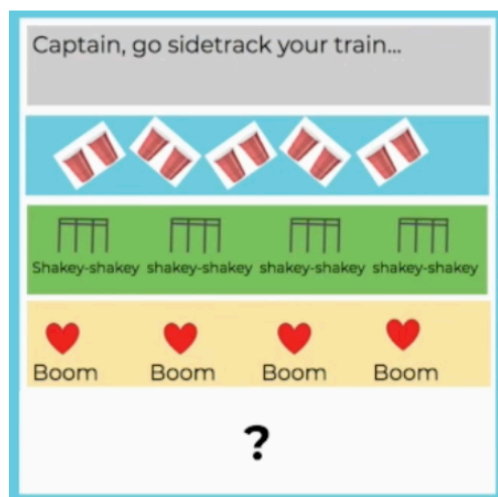

In the video, Miss Miner plays all the parts together using clever video skills. It will be fun to perform this all together in class.

Your challenge is in two parts:

- Working with the video to help you, please use your instruments – or body percussion – and play along with some of the rhythms. The diagram below will give you clues on what to do when.
- Can use your instruments to compose your own fifth part to 'Chumbara' using sound sources found at home? You might want to use your 'guiro', or another 'instrument'? Please write your rhythm in the space below:

Singing

Use the cups

Use your homemade Ganza or vocal percussion

Use your homemade Djembe to keep the pulse or beat of the music

5th part – can you improvise your own rhythm?

12. Please write down **ONE KEY THING** you have learned today.
