

Exploring Compound Time lesson 6 – page 2/2

8. What is metre? Please circle correct answer

- The pattern of each of the sounds in the tune
- The heartbeat of the whole piece of music
- The grouping of the pulse into strong and weak beats (defined by the time signature)

9. What was the title of our final song? Please circle correct answer

- Feelin' simple
- Simply the best
- Not so simple

10. Challenge – Not So Simple!

Sing in simple time
No reason, rule or rhyme
Monotony gets in the way
Something with a bit more sway...

*Alicia and Freddie Mercury
Preferred all the beats broken down
into three
With a swing and a sway I get the gist
But simple time I sometimes miss...*

In this song, which part is in simple time and which in compound time? How do you know? Please explain below.

11. Please write down **ONE KEY THING** you have learned today.
