

## Smile

A smile can brighten up the day,  
And help your worries melt away.  
So smile, smile.

And if you see someone without a smile,  
Just give them yours for a while.  
'Cause a laugh, a smile, a beam, a grin,  
Allows the happiness to begin.

A smile can brighten up the day,  
And help your worries melt away.  
So smile, smile.

And if you see someone without a smile,  
Just give them yours for a while.  
'Cause a laugh, a smile, a beam, a grin,  
Allows the happiness to begin.

A smile can brighten up the day,  
And help your worries melt away.  
So smile, smile.
