

**I'm OK!**

**I was meant to be.**

**No mistake,**

**There's a place for me.**

**Whatever people say,**

**I am me – and that's OK!**

**I'm unique,**

**There's no-one like me.**

**It's a fact,**

**I'm a VIP.**

**No matter what they say,**

**I am me – and that's OK!**

### CHORUS

**I'm me! It's a wonderful thing to be,**

**And I make no apology,**

**'Cause I'm learning to be myself.**

**It's true! It's OK to be me, not you,**

**'Cause the way that I'm made is good,**

**And I'm learning to like myself.**

**I'm OK!**

**I have dignity.**

**You could say**

**I'm at home with me.**

**Whatever people say,**

**I am me – and that's OK!**

**I'm unique.  
Take a look at me.  
Nothing cheap,  
This is quality!  
No matter what they say,  
I am me – and that's OK!**

### CHORUS

*(With optional harmony)*

And I'm learning to like myself.**

I was meant to be.  
No mistake,  
There's a place for me.  
Whatever people say,

There's no-one like me.  
It's a fact,  
I'm a VIP.  
No matter what they say,  
I am me – and that's OK!**
